

EARTH KEEPERS PROGRAM OFFERINGS

– Building Sustainable Communities in Solid Waste Management

CLASSROOM PRESENTATIONS

for all grade levels (in person) - 30 minutes

Let our Outreach Team introduce your class to being “Earth Keepers,” the newest generation of First Nation youth continuing the legacy of caring for their land. We'll cover topics including environmental stewardship, recycling, the history of waste, and what we can do to make a difference.

EARTH KEEPERS COLOURING BOOK

for grades pre-K to 3 (presentation or .pdf online) - 30 minutes

This activity book introduces the 4 Rs (Reduce, Reuse, Recycle and Recover) to lower grade levels using examples children can relate too. The Earth Keepers educate youth about waste diversion, safe management of hazardous waste, the impact of littering on the environment and the dangers of burning waste. We can introduce the book during a school visit or it can be downloaded for print from our website at: www.tsag.net/coloringbook.pdf

ZERO HEROES - A MISSION FOR ZERO WASTE

for grades 3 - 6 (six 1-hour preplanned lessons)

Inspire Zero Waste superheroes at your school; students explore our current garbage predicament and discover tools to change their families' waste habits! Online and ready to project at the front of your class; six weeks of 1-hour pre-planned modules incorporate team activities, game shows, music and printable “missions” for students. Free to FN classrooms in Alberta exclusively through our link below:
<https://planetprotectoracademy.com/in/alberta-fn/>

WASTE AUDIT

for grades 7 - 12 (in person) - half or full day

This “hands-on” exploratory session looks into your classroom, school, community and local area's waste and recycling systems. Learn the basics of waste diversion and recycling, then investigate the current system's intricacies and look for areas of improvement and potential waste reduction strategies. With extra time we can turn students' “discoveries” into posters to share with the rest of your school!

OTHER SERVICES RECYCLE BINS

classroom sized bottle and paper bins available for drop-off
